Romanovsky dances lightly over the keys, performing this work with delicate ease. In the introduction, each subsequent one-measure unit after the establishment of the initial unit in m.

Yangoyaderdu

Even though verbal communication has been used well... I have learnt something interesting that our brains still heavily rely on our senses to decode the full information to get meaning...Seems as though we put so much effort on the verbal aspects of communication that we forget to really emphasize on the significance of also portraying yourself in a way that your non-verbals go hand in hand with the communication you give verbally. This demon was hovering over a key, which we add to our collection.
