Although texting is convenient when you can't talk to someone and need to send a quick text message, it is the absolute killer in relationships, and especially dating. By Kim Fernandez Change is the law of life. If that doesn't help, please let us know. It isn't perfect, but I will give the author the benefit of a doubt.

Thanks Rafael, I totally agree. Unfortunately, the articles magnifying the health benefits of chocolate are often misleading, inaccurate and over-the-top. All of their ribbons are mounted over their left .
