More intensity with the case that Angel is working on not only adds stress to her but to her relationship with Alex. Examples of use in the German literature, quotes and news about sapristi. Originally marriage meant the sale of a woman by one man to another; now most women sell themselves though they have no intention of delivering the goods listed in the bill of sale. Because most Americans oppose banning handguns or all guns, HCI has ceased openly advocating prohibition, but its leadership very likely continues to support it covertly.
